Emerging Leaders Academy

The Cooperative Council for Oklahoma School Administration and Oklahoma State School Boards Association are proud to offer the Emerging Leaders Academy! This year-long program will help prepare a select group of Oklahoma education leaders for the superintendency. This program is open to Oklahoma education professionals who hold a current superintendent's certificate and aspire to be a superintendent. The collaborative, interactive academy will feature project and problem-based learning opportunities facilitated by practicing Oklahoma education experts.

Attendance

Statement of Understanding

I understand and respectfully agree that:

- the work involved in this program is above and beyond my regular work responsibilities
- there may be additional work time necessary outside formal session meeting times
- attendance at all sessions, networking/team building functions, and overnight stays are required and necessary to network with the cohort and facilitators
- frequently missed, late arrival to sessions, inability to meet session deliverables, and/or unwillingness to engage in team building and evening events may result in dismissal from the program
- the registrations, sleeping rooms, and associated travel expenses are my responsibility
