

CAMERON PUBLIC SCHOOL

RETURN TO SCHOOL PLAN

Start Date:

Teacher's Report August 3, 2020

Student's Report for First day of Class August 6, 2020

Brick to Click Plan:

- A. Begin the year in a Traditional Classroom setting using online instruction.
- B. Online Instruction - Consists of Study Island, Wonders Reading, Accelerated Math, Google Classroom, and a Pre-K thru 2nd grade computer program.
- C. Parents will be given an At Home Screening Form Daily Log that consists of a checklist of statements they can use as a reference to help decided if they want to send their child to school.
- D. Begin the year with every student using a school computer in the classroom and if the school has another shutdown the students will be able to continue on using the online curriculum from home.
- E. Teachers will be required to stay in contact with their virtual students through zoom, email, remind or text messages. Assignments will be emailed to the students.
- F. Parents will also have the option to send their child to school or to receive their instruction virtually and remaining at home.

Internet:

- A. Provide home hot spots to students that normally doesn't have internet at home.
- B. Also put mega hot spots at the Fire Department and churches in the district to give Cameron Students internet access if a regular hot spot doesn't work at their home.

- C. Cameron School will also open its internet to the students and they can sit in the parking lot to gain access.
- D. All systems being used will be filtered and the students will have limited access to sites.

Grades:

- A. All work will be graded and **work not completed will negatively impact the student's grades.**

School Attendance

- A. Cameron School will provide the computer and curriculum to the students that choose to stay home and take virtual classes.
- B. A record will be kept each time a student logs into their student account to do their required virtual assignments.
- C. Virtual students that want to participate in extracurricular activities will be required to follow the OSSAA guidelines that require students to attend school at least one hour a day before the P.E. hour begins.

PPE:

- A. Employees and visitors will not be required to wear a mask or face shield but it is highly recommended.
- B. All students will be given a mask and it will be recommended for students to wear it but not required.
- C. It is also highly recommended for all students to wear a mask while riding a school bus.
- D. Windows need to be open to maintain airflow whenever possible while riding a school bus.
- E. Temperature checks will be required before entering the building and students will be checked after getting in the classroom. Anyone with a temperature above 100.4 has to go home.

- F. Employees will be required to check their own temperature and symptoms before coming to school using the checklist provided. This form will be reviewed if contact tracing becomes necessary.

Social Distancing

- A. If it is possible everyone must stay three to six feet apart or wear a mask in tight quarters.
- B. No hugging, touching, or holding hands.
- C. Elementary students when in a single file line must stay six feet apart.
- D. No congregating in the halls, cafeteria, etc...
- E. It recommended parents drop their child off in front of the classroom building in the mornings unless they need to visit the teacher or principal.
- F. Parents will remain outside and not come into the building at the end of the school day to pick up their child unless they are picking them up early and need to check them out or during an emergency.
- G. Limit the number of visitors in a building to ten people.

Sanitary Measures:

- A. Wash hands regularly for 20 seconds with soap and warm water.
- B. Use provided hand sanitizer.
- C. Buildings will be wiped down during the school day with sanitary wipes.
- D. Use gloves when cleaning the buildings.
- E. Spray each building with the sanitary sprayer no less than once a week.
- F. Buses will be cleaned once a week and sprayed at the end of each day.

Sick Days:

- A. Employees will get 14 days of free sick leave if they have tested positive for COVID-19 or have been put on a mandatory quarantine.
- B. Students will have an excused absence for any type of sickness or mandatory quarantine.
- C. Students or staff who have been sent home or stayed home due to fever must remain home out of school for 10 days and until fever free for 3 days without the use of fever reducing medication, unless a doctor's note states that the student has another reason for fever/symptoms (allergies, ear infection etc...). During this time the student will become a distance

learner according to district procedures. Daily off-site attendance will be taken through the digital platform as stated in the district's digital learning guidelines.

D. District digital learning guidelines with regard to attendance: Students will be counted present during distance learning and will receive grades on the work assigned. Work not completed will negatively impact the student's grades.

This plan has been board approved but is subject to change at anytime due to unforeseen circumstances that may arise.
